Can We Afford National Defense?

The Communist coup d'etat in Czechoslovakia, coupled with Stalin's demands for a "defense" agreement with Finland and mounting totalitarian pressures in France, Italy and other European nations, has brought the international situation to its worst point since 1939.

It is clear that those who dislike and envy us abroad respect only one quality in a country—and that quality is military strength. It is not war mongering to say that the United States must maintain a defense establishment far more effective than any we have ever had in peacetime so long as the world remains in its present explosive state. That is simply insurance for our survival.

According to those who know best, all branches of our military forces, Army, Navy, Air Force and Coast Guard alike, are in a dangerously weak condition. We have sunk, in the space of about two years, from the greatest military power on earth to a third-rate military power.

This was only partially the result of the post war demobilization. The armed services have been denied requested appropriations for research and development which they consider absolutely vital if they are to keep pace with Soviet Union, whose army is reported to be still at war time strength. This has been done, of course, in the name of economy. But while military budgets have been cut, there has been the most flagrant waste in other directions.

This is not a political matter. The national defense is the first function of government, regardless of what party is in power. And to say we cannot afford a first rate military establishment at a time when we are wasting untold billions, is to criminally mislead the people.

BUSINESS IS RUSSIAN!

 Interesting Events In
 Grayling 23 Years Ago

 INTERESTING ITEMS OF NEWS GATHERED FROM THE
 FILES OF THE AVALANCHE OF 23 YEARS AGO

March 26, 1925

Eddie Bugby has purchased the Parker Bazaar of Herbert Parker and has already taken possession. The former has been employed for some time as clerk at the City restaurant.

Miss Lila Yoder arranged a pleasant surprise party Tuesday evening in honor of her mother's birthday anniversary. Mrs. Mitchell and Ben Yoder received high scores at pinocle.

Charles Hazzard is carrying his right arm in a sling, having had the misfortune of breaking it last Friday while cranking his Ford.

Guy Richardson is driving a new Ford coupe.

James Bowen who is employed in Detroit, spent the week end visiting his wife.

Mrs. C. C. Westcott of Detroit is visiting at the home of her mother, Mrs. J. K. Hanson.

Mr. and Mrs. George R. Howell left Tuesday for the Upper Peninsula expecting to make their home there.

A daughter, Mary Edna, was born on March 19th to Mr. and Mrs. Raymond Beck. The mother

was formerly Miss Helen Pratt.

Miss Helen Johnson returned Tuesday from Gaylord, where she had been spending the week with her sister, Mrs. Earl Merry.

Mr. and Mrs. L. J. Kraus and Mr. and Mrs. Dell Walt motored to Mt. Pleasant last Wednesday to attend the Grayling-Mt. Pleasant Basketball game.

Mr. and Mrs. William McNeven left for Detroit Tuesday to attend the marriage of their nephew, Melvin Bushaw, to Miss Ann Smith, the ceremony taking place last evening. The groom will be remembered by many here, having spent his boyhood in Grayling, making his home with his grandparents, Mr. and Mrs. Archie McNeven.

Mr. and Mrs. Peter F. Jorgenson and their son, Leo and wife, returned yesterday from a motor trip to Menominee, where they visited their daughter, Mrs. Ernest Duval and family.

Mrs. Charles Smith was taken by surprise on her birthday when several of her neighbors and friends arrived at her home Thursday evening. Four tables of "500" were in play. Mr. and Mrs. Carl Doroh received first prize and Mr. and Mrs. J. Mathiesen consola-

tion.

Mrs. S. J. Harrington returned home Monday from Midland, where she has been visiting relatives most of the winter.

Kalkaska National Trout Festival Dates Set

The 12th annual Kalkaska National Trout Festival has been definitely set for April 23 and 24 the traditional opening of trout season. And is sponsored by the newly organized Kalkaska County Sportsman Club with its membership of over 200.

Lou Kramer, who for many years before the war guided the festival to a National prominence, has been persuaded to attempt to bring it back to its place in the sports world. Lou Kramer has been appointed Public Relations Director and Director of the Kalkaska National Trout Festival.

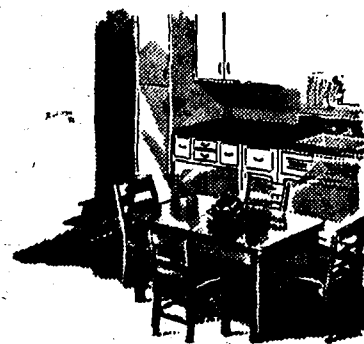

The community had planned to change the date of the festival to May 15th, however, after due and serious consideration felt that it would be better to let it stand at the traditional dates the opening day of trout season, April 24th-25th. And will push plans again to change the opening of Trout season to a time when it would be less cold.

In reviving this fishing event a prominent person will be selected as National Trout King, and crowned, a Queen will reign with the oldest fisherman adding zest to the affair.

Officers of the Sportsman Club are Dr. A. E. Edgerton, president; Fred Tomkins, vice president; Ernest Johnson, treasurer; and Margaret Van Amberg, secretary.

Letters To The Editor

Dear Bob:

We're having a marvelous time in Florida this season. The weather has been grand with plenty of sunshine and ideal for any one who enjoys the ocean and beaches. "We fish some, go to the Bob, I want to congratulate you and John Peterson on your articles in the paper. It takes intestinal fortitude to print them, but I think you've done a swell job. We can see that the Floridians are killing the geese that lays the golden egg; and many of them are now paying the teacher. I sincerely hope it doesn't or hasn't happened in Grayling. My observation is that many people can afford and seem to enjoy paying the highest prices for hotels, apartments, meals, etc., and are accommodated; but that the majority are the type who come to Grayling and don't enjoy keeping up with the Joneses. They will pay the freight once because they're here; but don't have to come back, and won't. Every person is entitled to a living and a profit and the ones down here who are doing that are filled to capacity, the eating places full and doing a big volume of business. The others have vacancy signs out, and losing plenty of money. The public are not all suckers, and just don't forget, or to tell their friends. The area around Grayling has more natural beauty than any section east of the Mississippi and the tourists in general love it, and will spend their time there if those in business will co-operate by extending them courtesy which costs nothing and also be willing to accept a reasonable profit.

Will be seeing you in about a month and am now counting the days until the first of tourist season.

As ever,
Dr. R. A. VanVleck.

March 15, 1948

Editor Crawford Avalanche:

How long are the citizens of Crawford County going to stand for the wanton slaying of our deer by dogs that run at will through our woods? Is it consistent to pass laws that protect our deer herds and close our eyes to the killing of our deer by dogs? Do the citizens of this county fully realize that our game and fish life is primary attraction to our tourist trade? How long will business places in this county operate profitably, once the tourist trade dwindles with our game and fish? It is a fact that the City of Grayling has no dog ordinance governing the control of dogs? What are the County Supervisors doing to stop the killing of our deer by dogs. What is done with money collected through taxes? Are dog taxes high enough to raise sufficient funds to control the dog problem?

I say control the dogs or your deer herd will suffer greatly. Only last week twelve deer killed by dogs. Lord only knows how many more deer were killed by dogs that they didn't find. Within a fifteen minute period, two dogs killed two deer last week and were on the trail of a third deer when driven off. It is regrettable that the public cannot observe the torture these dogs put a deer through while killing them. The story is written in plainest words can tell in the snow at the point where the deer is finally brought down.

Owners of dogs, why not do your part and keep your dogs chained up, especially at this time of year when deep snows and the weakened condition of our deer from lack of food, make them easy victims of our dogs. Take your choice—increase the deer herds or the dog herds? Is our game life and tourist trade going to the dogs?

R. A. Wright.

SOUTH SIDE NEWS

(Too Late for Last Week)

Mr. and Mrs. Vivian Campbell and family of Commins has returned to their home after spending the last week visiting Mrs. Campbell's mother, Rev. Davis. Mrs. Campbell has been a patient at the Grayling Hospital.

Mr. and Mrs. Ivan McEver had as their Sunday guest his mother, Mrs. Edna McEvers, and aunt, Mrs. Lancaster, also brother, Mr. Word has been relieved that Mrs. Frank Rod is getting along fine. Her friends and neighbors will be glad to have her out again.

Mr. and Mrs. Francis Wilcox and son, Thadde, and Mr. and Mrs. John Wilcox, spent Sunday visiting Mr. and Mrs. Keith Young and family of West Branch. Mrs. Young is a daughter of Mr. and Mrs. John Wilcox.

Those on sick list this week have been Chas. McConid, Robert LaMotte, Jr., and Clara Lazaro-wicz.

Mr. and Mrs. Walter SanCartier and daughter, Mary Ellen, spent Sunday visiting Ernest Winston and family at Maple Forest.

Mr. and Mrs. Chas. Jensen have as their guest this week their daughter, Helen, from Detroit.

Mr. Kane of Atlanta spent the week end with Mr. and Mrs. Lyard Myers. Mr. Kane just lost his wife a couple of weeks ago at Atlanta.

Well, friends are wishing Pat Harwood a happy birthday as he was lucky enough to have his birthday fall on the 17th of March. There are lots of Grayling people who are enjoying their Saturday night dances that the Sports-men Club are holding at Frederic, also their card parties on Wednesday.

Sandwich Filling.
Honey and peanut butter when used as a sandwich filling is best mixed just before using and before it hardens.

Easter Seals Endorsed

Office of the Governor
State of Michigan
Lansing

Kim Sigler
Governor

March 8, 1948

It is a pleasure to endorse the fifteenth annual sale of Easter Seals, sold for the benefit of crippled children and disabled adults. Michigan citizens will give generously, I am sure, to this humanitarian project. It is impossible to be too generous in a cause which relieves suffering of physically handicapped persons.

The fine work of the Michigan Society for Crippled Children and Disabled Adults has been carried on for many years, with the close co-operation of various state agencies. The rheumatic fever control centers, the occupational therapy and craft work programs, the cerebral palsy clinics, and the new clinic for the epileptic, are all programs worthy of everyone's support.

As governor of Michigan, I appreciate and commend these valuable services to the people of our state.

Sincerely,
Kim Sigler,
Governor.

TROUT SURVEY

(Continued from Front Page)

brook trout.
For the data from all streams combined, it appears that in 1947 April fishing was the least productive (0.49 legal trout per hour). Fishing was better in May, rising to 0.93 legal trout per hour, but fell back slightly in June to 0.82 trout per hour. The best fishing came during July when 1.23 legal trout per hour were taken. Quality declined sharply during August to 0.75 trout per hour, and even lower for Labor Day when 0.71 fish per hour was the quality index. The most fishing (762 angling days, 2,885.5 hours) was listed for June, also the most (2,320).

As in past years, the quality of the fishing differed noticeably on the various parts of the AuSable system, although some of this difference probably results from too few reports from certain waters.

On the Main Stream 3,267 trout were recorded as the result of 2,902 hours of fishing on 838 days of angling, with a quality index of 1.13 legal trout per hour. The percentage of the catch made up of hatchery fish was as follows: Brook trout—46, or 1.3 per cent. Brown trout—484, or 14.9 per cent. Rainbow trout—155, or 4.8 per cent.

The wild brook, brown and rainbow trout comprised 12.2 per cent, 55.6 per cent and 11.2 per cent respectively of the total recorded catch. Combined together hatchery trout made up 21.0 per cent of the total catch, wild trout 79.0 per cent.

On the North Branch of the AuSable on 1,392 days of angling 5,849.5 hours were spent to catch 3,993 trout at the rate of 0.88 legal trout per hour. The various species of hatchery trout in the catch were as follows:

Brook trout—1,169, or 29.3 per cent. Brown trout—233, or 5.8 per cent. Rainbow trout—95, or 2.4 per cent.

The wild trout in the catch were: Brook trout—1,169, or 29.3 per cent. Brown trout—1,319, or 33.0 per cent. Rainbow trout—227, or 5.7 per cent.

Of the entire catch of the North Branch, 1,278 or 32.0 per cent, consisted of hatchery trout, while 68.0 per cent of the total catch was wild fish.

Records listed for the South Branch of the AuSable show that on 82 angling days in which 231.0 hours were expended, a total catch of 418 trout resulted, or 1.81 legal trout per hour of fishing. This catch was divided as follows:

Brook trout—hatchery fish, 4, or 1.0 per cent, wild fish, 66, or 15.8 per cent. Brown trout—hatchery fish, 108, or 25.8 per cent, wild fish, 216, or 51.7 per cent. Rainbow trout—hatchery fish, 8, or 1.9 per cent, wild fish, 16, or 3.8 per cent.

Of the entire catch, hatchery fish constituted 42.6 per cent of the total; wild fish, 57.4 per cent.

On the East Branch of the AuSable, 24 angling days were tallied, and in this time a total of 50.0 hours of fishing produced 112 trout, or a catch per hour of 2.24 legal trout. The total catch was made up of 88 hatchery brook trout (78.5 per cent), 8 hatchery brown trout (7.1 per cent), 3 hatchery rainbow trout (2.6 per cent), 6 wild brook trout (5.4 per cent), 2 wild brown trout (1.8 per cent), and 3 wild rainbow trout (2.7 per cent). On this stream hatchery trout constituted 91.1 per cent of the total catch. It is doubtful if there were enough records from the East Branch to be representative of fishing on that stream. The same may also be true for the records from Big Creek although more reports are available in this case.

From Big Creek and its branches in Crawford County, 184 legal trout were removed in 232.50 hours of fishing, or 0.79 legal trout per hour of fishing. Hatchery fish made up the following proportion of the catch: Brook trout, 14.1 per cent; brown trout, 2.7 per cent; rainbow trout, 1.1 per cent; all hatchery fish, 17.9 per cent. Brook, brown and rainbow trout of wild origin made up the following percentages of the Big Creek catches: 81.0 per cent, 88.3 per cent and 18.8 per cent respectively; all wild fish, 82.1 per cent.

As mentioned earlier the proportion of marked hatchery fish in the total recorded catch of the AuSable drainage for 1947 was 27.8 per cent (in 1946 hatchery fish made up 27.7 per cent of the total catch). Marked hatchery brook trout made up 14.0 per cent; marked hatchery brown trout, 10.5 per cent; and marked hatchery rainbow trout, 3.3 per cent. Wild unmarked fish constituted 72.2 per cent of the total catch as follows:

Wild brook trout—21.3 per cent. Wild brown trout—42.8 per cent. Wild rainbow trout, 8.0 per cent.

Stated in a different manner, 38.8 per cent of the brook trout catch in 1947 was composed of hatchery trout, and 19.7 per cent of brown trout, and 29.2 per cent of the rainbow trout catch. In 1946, the three species of hatchery reared fish made up 42.7, 19.8 and 28.5 per cent of the total catch of the three species respectively. Apparently there was little change as the percentages in the two years were quite similar, despite a wide variation for the total catch recorded (18,771 in 1946, 7,974 in 1947).

**Rainy Weather is
Duck Soup to the
UNIVERSAL 'Jeep'**

"LET IT RAIN IF IT MUST!" That is what you will say if a Universal "Jeep" is at work on your farm. Just put on the top and get on the job. With the steady traction of its 4-wheel drive the "Jeep" just keeps on pulling, in spite of soft ground or slippery footing. You don't have to worry about 'impassable' roads. Four-wheel drive takes the "Jeep" through, helps you with spring towing and hauling jobs that must be done.

GET A "JEEP" AND GET GOING

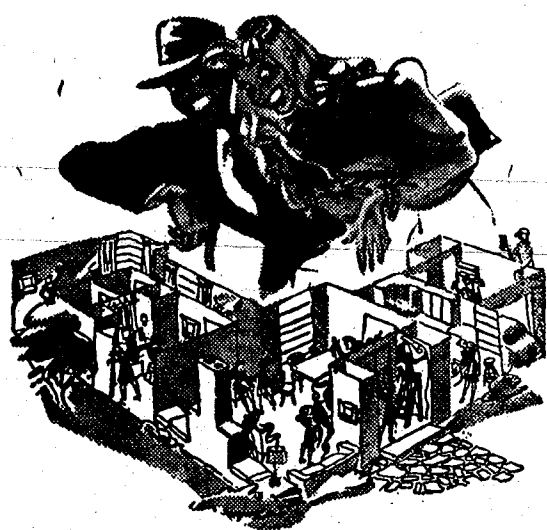

There are plenty of jobs the "Jeep" can do on your farm right now. When field tasks are completed or road work is done, your "Jeep" need not stand idle. Its power take-off delivers up to 30 h.p., operates many kinds of implements and farm machinery, helps make the "Jeep" America's most versatile farm tool.

Annual Tax Sale

STATE OF MICHIGAN.

In the Circuit Court for the County of Crawford
In Chancery. No. 258

In the Matter of the Petition of Muri K. Aten, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed, by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the April term of this Court, to be held at Grayling in the County of Crawford, State of Michigan, on the 13th day of April, A. D. 1948, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered of the said Court, on said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree, on the first Tuesday in May thereafter, beginning at 10 o'clock a. m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the county treasurer, or at such convenient place as shall be selected by him at the county seat of the County of Crawford, State of Michigan, and that the sale then and there made will be a public sale, and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. John C. Shaffer, Circuit Judge, and the seal of said Circuit Court of Crawford County this 11th day of February, A. D. 1948.

John C. Shaffer,
Circuit Judge.

Countersigned,
Leo Lovely, Clerk.

STATE OF MICHIGAN.

In the Circuit Court of the County of Crawford
In Chancery.

In the Matter of the Petition of Muri K. Aten, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Crawford, in Chancery:

Muri K. Aten, Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this petition under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1933, as amended, and Act No. 126 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) \$1.00 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said parcels of land described in said schedule as therein and against which they are extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your petitioner prays:

a. That within the time provided by law this court may determine and decree that the taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final decree in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said decree provide that in default of the payment of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount decreed against the same, shall severally be sold as the law provides;

d. That your petitioner may have such other and further relief in the premises as to this court may seem just and equitable.

And your petitioner will ever pray, etc.

Dated: February 10, 1948.

MURI K. ATEN,
Auditor General of the State of Michigan,
for and in behalf of said State.

Michigan Mirror

Should the governor of Michigan have new and additional power over departments, commissions and bureaus?

Is the governor, as has been recently charged, merely a "glorified clerk?"

Vernon J. Brown of Mason, former lieutenant governor, auditor general and state legislator does not think so. During his 40 years of public service, half of which was as either a legislator or a state official, Mr. Brown served with eight different governors in succession.

"There are two distinct theories of government," observes Mr. Brown. "They are in direct opposition to the other, and one must choose between them."

"First, and the one on which the American way is founded, is government based on the theory that the closer it is kept to the people the better. This implies strong local units and a division of authority and responsibilities so that the manifold duties of administration may be divided among as many administrators as may be required. In a state so diversified as Michigan, no individual can hope to attend to everything and there should be something to undertake to do so. Neither should he be entrusted with so great responsibilities."

"The opposite theory in government is the highest development where Hitler and Mussolini and Stalin are produced. Under such a government all authority is centered at the top where every decision is made. Everything below must bend either the knee or the neck. There are those in this country who evidently yearn for the power and the obedience that go along with this last described type of government."

It is noted that there are certain public officials in Michigan who do not like the Michigan way. They like neither the laws nor the restrictions imposed upon them.

"Most of the restrictions complained of have been imposed and put into effect since the days of Alex Groves. There are some who will recall the primary campaign of 1926 when the Groves-backed autocracy was the prime issue. Evidently the people of that day had become tired of Groves-bossing. In any event they choose Fred W. Green in preference. And beginning then and continuing until this day there has been a trend in Michigan resulting in sorting out first one faction and then another for independent administration, free of interference by the governor and free from partisan politics."

The first notable example was the establishment of the department of conservation which long had been a political football. The revenue department, the mental hospital group, veterans affairs and other matters have followed. Even before this there was the independent highway, the colleges and the university and several lesser boards and commissions.

"It is true that in Michigan the governor has not the power and authority he once had nor has he as much as the governors of some of the other states now have. But this by no means is accidental and has come about because of a public demand."

"Nevertheless from my observation over the years I have never known of an instance where any commission, bureau, board or

other agency has snapped its fingers at the governor or ignored his wishes — except when to do so would have been against good public policy. I have known of instances where certain boards have refused to do the bidding of the governor but in every such instance I can recall, time proved they were correct and not the governor."

"There is a division of authority in Michigan. None will deny that. Making up the list of all the good citizens of Michigan now serving on some eighty-odd such boards appear the names of more than half a thousand good citizens. But let us remember that most of them are serving the people without reward or pay and that each is a man or woman of good repute in his own locality. Moreover each has been selected for his intimate knowledge in the special field served by his particular group. The public receives many thousands of dollars of free service from these board and commission members."

A true copy.
Ray F. Clement,
Judge of Probate.

STATE OF MICHIGAN
The Probate Court for the County of Crawford.

At a session of said Court, held at the Probate Office in the City of Grayling in said County, on the 11th day of March, A. D. 1948.

Present: Hon. Ray F. Clement, Judge of Probate.

Bits O' Talk

Tickets for the appearance of Ananias, the only Eskimo woman on the American platform are now on sale at Mac's Drug Store or from any member of the PTA Committee that is sponsoring the lecture here on Thursday, April 8.

Word has been received at the office here that the E. W. Cregue family has moved from Flint into their newly constructed home in Holly.

Order your bottled gas from B-C-D "on the corner." We have fittings, tubing, tanks and regulators to install gas for you and we can supply the gas after installation.

Little Karen Atkinson had a birthday party on March 14 at her home in Karen Woods, to celebrate her fourth birthday. Six little folks were invited to share the fun. Mrs. Atkinson served the children sandwiches, orange juice, Bavarian cream and birthday cake and there was an Easter basket at each child's place as a favor. The children spent their time watching their mother as she was recovering nicely from an operation. She is a patient at the Mayo Clinic in Rochester, Minnesota. Her little son, Michael, has been visiting Mr. and Mrs. Ernest Borchers and Mr. and Mrs. Stephan came over Tuesday of last week to see him.

Get your Easter shoes at Bill's. Mr. and Mrs. Ernest Borchers, daughter, Miss Barbara, and son, Don, were recent week end visitors in Lansing. On Thursday Mr. and Mrs. Borchers drove Miss Barbara to Holly, Michigan, where she joined her roommate, Miss Jane Kearns. On Friday the girls left for Mexico City by car, escorted by the latter's father. Both students at C.M.C.E. Mt. Pleasant, they will attend the Mexico City College for three months or so. Barbara is majoring in Spanish.

Conserve your precious fuel oil, install a thermostat on your fuel oil burning space heater. B-C-D Equipment Co. Phone 3531.

Mrs. Robert Strong was hostess to the Saturday Bridge Club on March 20. Mrs. Robert Hayes, Mrs. Thomas Stancil, Mrs. George Griffith and Mrs. Charles Piper were guests for the afternoon. Mrs. Piper held high score. Mrs. Roy Milnes second high and Mrs. Griffith received consolation prize.

Mrs. Richard Snyder and daughter, Peggy, of Bay City spent the week end with her mother, Mrs. Oscar Hanson and sister, Mrs. Ella Wilcox and daughter, Nancy. Mrs. Hanson returned to Bay City with her daughter on Monday. Mrs. Wilcox expects to join them today.

Mr. and Mrs. Robert Strong spent Thursday and Friday in Grand Rapids, where the former attended a directors meeting of the Michigan Press Association.

Burton Peterson is home, spending spring vacation from Michigan State College.

Dr. and Mrs. J. F. Cook spent the week end in Alpena visiting his father.

Don Leslie of Mt. Morris and Miss Juanita DeLisle of Flint spent the week end visiting the Ted and Carl Leslie families.

See the new fully automatic Bendix Washing Machine at B-C-D Equipment Co., Inc., "on the corner."

Mr. and Mrs. Leslie Case spent the week end in Lansing. Mr. Case celebrated his birthday while there.

Jerry Yelink spent the week end at his cabin here.

Mr. and Mrs. Chester Chorman spent the week end at their cabin Camp Chester L.

Better shoes for less at Bill's. Miss Billyann Clippert is home from Michigan State College to spend spring vacation with her parents, Dr. and Mrs. C. G. Clippert.

Robert L. Jackson is a patient at Mercy Hospital. His sister and husband, Mr. and Mrs. Louis Zack, of Midland spent from Thursday until Sunday here. Mrs. Jackson's sister and husband, Mr. and Mrs. Norman Klein of Oxford were here Thursday and Friday and another sister, Mrs. Stella Allen of Hornell, N. Y., was expected Monday for an indefinite stay.

Remodeling work is still in progress at the Kraus 5c to \$1.00 store.

There will be more space than heretofore and the store is being completely redecorated.

The interior of the Grayling Restaurant is being freshened up with a new coat of paint.

Miss Jane Ann Martin is no longer employed at Conservation Headquarters, Rosecommon, but is helping out at the Shirlee Shop.

Better shoes for less at Bill's. The family of Mrs. Celia Granger all gathered at her home Sunday, March 21, to celebrate her birthday. All had a lovely time and birthday dinner together.

Mr. and Mrs. Howard Granger and baby daughter of Kalkaska and Mr. and Mrs. George Granger and family of Big Rapids were present from out of town.

William Tischler of Higgins Lake has announced the removal of his Block and Supply Company from Houghton Lake to 14 miles south of Grayling on US-27.

Housing for the company is already under construction and will be a 50x75 foot building. The building will carry a complete cement line.

Nadine Heath is spending the week visiting her son, Billy, and mother, Mrs. Wm. MacNeven.

Mr. and Mrs. Ray Clement spent the week end in Grayling. Nancy Hilton observed her 11th birthday on March 15 and entertained ten young people at dinner and a theater party to celebrate the occasion.

Mr. and Mrs. Whitey Madsen and daughter, Toni, spent the week end in Grayling, visiting Mr. and Mrs. Carl Madsen.

Arnold Babbitt and family of Kalamazoo spent the week end visiting Mr. and Mrs. Dan Babbitt and family.

Milford Moggo had a bullet removed at Mercy Hospital, Monday morning, that had been inflicted in an accident 8 years ago and only now had begun to cause trouble.

If the appearance of roller skates, marbles and kites are any indication, spring has begun.

James McDonnell returned home Monday from a vacation in Florida.

Get your Easter shoes at Bill's. Miss Emily Giegling is home from Michigan State College to spend spring vacation with her parents, Mr. and Mrs. Emil Giegling, and sister, Miss Sue.

ZION LEAGUE NEWS

Mrs. Matilda Hunter opened her home last Sunday evening to the tune of "Peggy O'Neil."

"If you lend a helping hand. That's our Zion's League."

If you love your fellowmen, That's our Zion's League.

Serve with never a thought of yourself.

Serve or else you'll go up on the shelf.

All hospitality, pep, and vitality. Let's do it for them, "I will build my Church." Rex Hunter as chairman, was in charge of the program. Mrs. Tressa Stephan leader, and Jack Davis as co-worker.

After the short devotional, hymn singing, and reading by Gerald Newberry, a talk was given on the theme by our pastor, Elder Newberry. The service closed with short sentence prayers from the group. Refreshments were served by the League.

The league bake sale reported a grand total of \$33.80 to be added to their treasury. The league members helped 100% in putting across the sale. Much power to them and their leader. We also want to thank Mr. Phelps, for the use of his store; and all who came to buy. There was a great spirit of co-operation.

The League will meet with the Grayling League next Sunday in the Sunrise Service and Breakfast which is being held at the Re-Organized Church of Jesus Christ of Latter Day Saints, Grayling. There will not be a League program the evening of March 28.

with the new Council Campsite at Bear Lake in Kalkaska County as one destination.

The expedition to New Mexico will arrive at Philmont Scout Ranch on August 14 for a 13 day stay, including mountain climbing, horseback trip to gold mines and Indian caves fishing, and an extended sky-line mountain hike using pack burros. Dr. Miller and three other adults will accompany this party, which will have the supervision of the Philmont Staff.

The Ranch consists of 127,000 acres, mountains, rivers, historic spots and includes a complete cattle ranch in full operation. The party from the Summer Trails Council is limited to 27 people, including leaders. Scouts must be 15 years or older to participate. Fourteen reservations for Scouts and three for Leaders, are already in.

National Camp Week is sponsored by the American Camping Association an dhas as its theme, "Camping for Happy, Resourceful Living! Strengthening Democracy."

THE STORY OF EASTER

How did Easter get its name? What was the date of the first Easter? Read . . . in The American Weekly with this Sunday's (March 28) issue of The Detroit Sunday Times.

BOY SCOUTS

(Continued from Page One)

preliminary and final, to be used in a study of the available leadership, and camping needs of the Troop. The camping program will emphasize Troop Camping and Sponsoring Institutions are being encouraged to provide leadership for their own Troops in camp, either the Scoutmaster of some other qualified adult. The Camp will maintain a central staff to assist Troop Leaders in program which will center in the Troop rather than on the entire mass camping basis as formerly.

Sponsors are also encouraged to set up their own finance arrangement, dealing with the Council as a unit rather than individual boys. The Council fee will be \$12.50 per week with no charge for adults who serve as Troop Leaders in camp.

Scoutmaster and Campship will be available for Troops or small groups unable to provide their own.

The Camp will again be directed by Ken W. Taylor, Assistant Executive, with several other members of last year's staff returning from the coming season. Dr. B. F. Miller of Hollywood, California, former Scout Leader in Flint, Michigan, will arrive in Michigan in May and serve on the Noyati Staff. There are still openings for staff men and those interested should see or write Ken Taylor at 128 1/2 Rodd St., Midland, Michigan.

The program will include Rifle, Archery, Swimming, Canoeing, Boating, Camp-craft, Scout Advancement. Special training in out-door cookery on a Patrol basis will be given this year with view to increase in Troop Camping the coming years.

Out of camp jaunts are included

In School at Feldhauser

Carol Mikesell is concluding our four week health program. Con-

tinuation will be under a little different set up.

The mysterious nail keg in the corner suddenly developed a horse's head and tail. Keep watching for further developments.
